Memberships are broken into two categories - - resident and non-resident. Residents are defined as primary homeowners living full-time within SID 158. Weather Related Closures

The pool will close during thunderstorms or when the outside temperature is below 70 degrees. The pool manager uses the "Weather" app from Apple to make this decision.

Flotation Devices

Due to the safety issues and dangers they post, flotation devices such as inner tubes, air mattresses and water wings are not permitted in the pool. The Red Cross has specifically identified water wings as the most dangerous and prone to incident.

Children 5 years and under may wear U.S. Coast Guard approved lifejackets and **must be accompanied by an adult in the water.**

Snack Area

Outside food and drink are permitted. All food, including candy, should be eaten **only in the designated snack area**. This helps to keep the deck clean, reduce the likelihood of trash blowing into the pool, and attract fewer birds and bugs.

Pool Parties

Pool parties may be booked with a manager on duty during normal hours of operation. Pool parties may only be booked by pool members. Pool parties are subject to a separate contract that the member will sign.

Rates for pool parties are:

Up to 50 people	\$200
Up to 100 people	\$225
Up to 200 people	\$250

2022 Handbook

The date for the party will only be reserved when full fee is paid. No exceptions.
